CHANGES IN EXEMPTIONS – You should file a new certificate at any time if the number of your exemptions INCREASES.

You must file a certificate within 10 days if the number of exemptions previously claimed by you DECREASES for any of the following reasons:

- (a) Your wife (or husband) for whom you have been claiming exemption is divorced or legally separated, or claims her (or his) own exemption on a separate certificate.
- (b) The support of a dependent for whom you claimed exemption is taken over by someone else, so that you no longer expect to furnish more than half the support for the year.
- (c) You find that a dependent for whom you claimed exemption will receive \$3,000 or more of income of his own during the year (except your child who is a student who is under 19 years of age).

CHANGE OF RESIDENCE – You must file a new certificate within 10 days after you change your residence from or to a taxing city.

CHANGES IN EMPLOYMENT— You must file a new certificate by December 1 each year if your Line 3 estimate of the percent of work done or services to be rendered in cities levying as income tax will change for the ensuing year.
